## Avonworth Historical Association

**Avonworth Historical Association** - Avonworth Historical Society is dedicated to documenting the history of the Avonworth community and its future development, providing a sense of history and place for upcoming generations. Our purpose is to collect the artifacts, stories and images from the original settlers to those of its newest inhabitants. We aspire to chronicle the progression of our original communities of Ben Avon, Ben Avon Heights, Emsworth, as well as the transition of Ohio and Kilbuck Townships from rural areas into vibrant new communities.

# West View Water Authority

**West View Water Authority** - Located in West View, Pennsylvania and supplies water to 32 municipalities and over 200,000 people in portions of Allegheny, Beaver and Butler counties of Pennsylvania. The Water Treatment Plant is located on Neville Island with the main source of supply from the Ohio River and wells on Davis Island. Wells are maintained and used in the event of an emergency to augment the water supply. Granular activated carbon is used in the treatment process and the water quality meets or exceeds all local, state and federal regulatory standards. The Treatment Plant is capable of treating and pumping 40 million gallons of water a day.
