

Youth Sports

There are a number of nonprofit associations and organization who organize teams for children living in Ben Avon as well as the Avonworth (Ben Avon, Ben Avon Heights, Emsworth, Kilbuck and Ohio Township) and Northgate (Bellevue and Avalon) communities. While the purpose of each organization is unique, they generally adhere to these principles:

- Building fundamental athletic skills of the children.
 - Encouraging team participation and sportsmanship.
 - Stress having fun (some within competitive environments).
 - Prepare children for school-based sports programs (so that they have some skill and interest prior to going out for a team).
 - Encourage parents to be active participants with their children, including coaching and other activities.
