Profile

Jennifer Bett is currently the Business Continuity Program Specialist with Disaster Recovery and Business Continuity Services at Carnegie Mellon University. Jennifer received her Master of Public Management from Carnegie Mellon's Heinz School and has spent the past several decades working as a project manager, small business owner, and entrepreneur. Jennifer is a dedicated community member and serial volunteer who currently holds local volunteer leadership roles with Community Theatre Players, Avon Club, Friends of the Ben Avon Bookmobile, among others. She and her husband, Michael, have been residents of Ben Avon for over 20 years and are proud to be raising their two daughters in this community-centric neighborhood. Jennifer is on Council to be your voice in Ben Avon promoting honest government, strong public safety, and preservation of our infrastructure and community.
